To Whom It May Concern:

Your movers helped me relocate on November 14<sup>th</sup>.

I have never had such a positive moving experience in my life. John and Tom were extremely considerate and polite. Everything was done in a timely manner, and the price was lower than anticipated. As a matter of fact, it felt I was being moved by a bunch of friends, not 2 men that I just met.

Please say THANK YOU to John and Tom one more time, since I cannot say how greatly appreciative I am of the job they did.

I feel confident in recommending Milestone Relocation Solutions to my family, co-workers and friends for their future moving needs.

Sincerely,

Donald Rodgers
