TO: MILESTONE RELOCATION

Dear Brett,

I wanted to thank you and your company for doing an outstanding job with moving us in Atlanta on December 2nd, 2009.

I truly enjoyed your crew's professionalism:

- They called 45 minutes before scheduled arrival to let me know they were coming;
- Showed up on time
- Shrink wrapped and padded our more expensive belongings
- Worked for the full 4 hours 45 minutes with no breaks
- Nothing got damaged or dirty

Overall, I am extremely satisfied with my experience with both dealing with you on the phone and the actual crew you sent me.

I will have no hesitation recommending Milestone Relocation to my family and friends, and will definitely use your company to move me the next time!

Thank you very much!!!
