Marty
Milestone Relocation Solutions

Dear Marty,

I would like to thank you personally, as well as your employees Tom, Randy and George for the move you did for me on September 4th of this year.

They came on time, even 10 minutes earlier than expected, and finished my move in less time than you initially estimated. This was a great surprise for both me and my husband.

Your crew was very easy to deal with, and they knew what they were doing all along: from packing our china and LCD TVs to carefully stacking everything in the truck, to unloading/unpacking. They were nice enough to ask where we wanted our single piece of furniture.

You will be hearing from my family and colleagues as soon as they need moving services. I feel very comfortable recommending Milestone Relocation Solutions to everyone I know and in need of moving help.

Cordially,

Marry Falkowski
